

****Francesco Rossi****

Software Engineering Manager, Consumer Electronics Industry
francesco.rossi@apple.com (work), mail.francesco.rossi@gmail.com (personal)

****Professional Experience****

Apple Inc. | San Francisco, CA, USA | Software Engineering Manager | April 2019

- Present
- Managing a team of software engineers in the consumer electronics industry
- Overseeing projects related to algorithms, C++, C, CUDA, Latex, programming, physics, scientific computing, machine learning, computer science, simulations, computer vision, Python, MATLAB, numerical analysis, image processing, parallel computing, high performance computing, Bash, iOS development, GPU, OpenGL, artificial intelligence, and software engineering
- Collaborating with cross-functional teams to develop innovative consumer electronics products
- Implementing Agile methodologies to improve team productivity and efficiency

****Skills****

- Algorithms
- C++, C
- CUDA
- Latex
- Programming
- Physics
- Scientific Computing
- Machine Learning
- Computer Science
- Simulations
- Computer Vision
- Python
- MATLAB
- Numerical Analysis
- Image Processing
- Parallel Computing
- High Performance Computing
- Bash
- iOS Development
- GPU
- OpenGL
- Artificial Intelligence
- Software Engineering
- Objective C
- Organic Gardening
- Research

****Education and Certifications****

[Bachelor's/Master's] in Computer Science or related field
[University Name], [City, Country] | [Graduation Year]

****Languages****

- English (Fluent)
- [Italian/Other] (Intermediate)

****Memberships and Affiliations****

- LinkedIn: [linkedin.com/in/redsh](https://www.linkedin.com/in/redsh)
- Facebook: [facebook.com/redsh](https://www.facebook.com/redsh)
- Twitter: twitter.com/redsh
- GitHub: github.com/redsh

****Company Information****

Apple Inc. | Consumer Electronics Industry | Cupertino, CA, USA
Website: apple.com | Size: 10001+ | Founded: 1976
Location: San Francisco, CA, USA | Metro: San Francisco, California
Region: California | Geo: 37.77,-122.41

****Certifications and Licenses****

- [List any relevant certifications or licenses here]
