****Personal Information:****

Name: Francesco Randi
Gender: Male
Industry: Research
Job Title: Postdoctoral Research Associate
Sub Role: Researcher

****Education:****

PhD Student, University of Trieste, Italy and Princeton University, USA (2017-Present)
B.S., Physics, University of Trieste, Italy (Year of Graduation)

****Skills:****

- Physics
- Linux
- JavaScript
- HTML
- LaTeX
- PHP
- MySQL
- Web Development
- Microsoft Office
- Joomla
- CSS
- XML
- jQuery
- Ajax
- Wordpress
- HTML5
- Apache
- Ultrafast spectroscopy
- Graphene
- C++
- Python

****Work Experience:****

Postdoctoral Research Associate, Princeton University, Princeton, NJ, USA (2017-Present)
- Collaborating on research projects in the field of physics
- Utilizing ultrafast spectroscopy techniques to study graphene and related materials
- Developing web applications using HTML5, CSS, JavaScript, and other technologies

****Publications:****

(List publications here if available)

****Languages:****

Italian (Native), English (Fluent)

****Certifications:****

(List any relevant certifications here)

****Memberships:****

- Member, American Physical Society

- Member, Materials Research Society

****References:****

Available upon request.

****Languages and Tools:****

- Programming Languages: C++, Python
- Operating Systems: Linux
- Database Management Systems: MySQL
- Web Technologies: HTML5, CSS, JavaScript, jQuery, Ajax, Wordpress, Apache

****Education History:****

B.S., Physics, University of Trieste, Italy (Year of Graduation)

****Research Interests:****

Ultrafast spectroscopy, Graphene, Materials Science

****Professional Development:****

- max git forks: 1
- max stars: 3
- number of repos: 7

****Employer:****

Princeton University

****Industry:****

Higher Education

****Location:****

Princeton, NJ, USA

****Company Size:****

5001-10000 employees

****Website:**** princeton.edu
